

Outcomes of Extension activities in the neighborhood community in terms of impact and sensitizing the students to social issues for their holistic development during the last five years.

The college takes a lot of efforts for sensitizing students to social issues and inculcating ethical and human values through various extension activities which give social exposure to students outside the college. The purpose behind these activities is to develop various human values like Kindness, Modesty, Honesty, Equality, Good Conduct, Peace, Good Mannerism, Patience, Truthfulness, and Awareness etc among students.

“Extension” is an important feature of the College. Extension activities play a significant role in all round development of our students. Participating in these activities gives students hands on experience of societal issues and a chance to apply their knowledge in real life settings. Such participation also enhances social skills of our students.

Through extension and outreach programs, we sensitize the students to develop social values, widespread their responsibilities and knowledge in societal issues and problems, and create involvement of students with the community people. Through this, we establish a good relationship with many organizations.

Various departments of the college are organizing different extension activities from last six years apart from NSS activities which includes Health and Hygiene awareness programs, AIDS awareness programs, Voter’s awareness program, Road safety Campaign, Blood donation camps, Swachhata Abhiyan, social surveys, Plantation, Environmental awareness etc.

College has organized, participated in many extension activities.
