The college is committed to create a balanced atmosphere of academic, cultural and sports activities for the overall personality development of the students. Sports and cultural activities helped the students to improve interpersonal relations in healthy manner and develop Team spirit.

College working hours are stretched due to constraint and limitations of infrastructural facilities, but all stakeholders have accepted it positively.

Infrastructure and physical facilities: College is now running in rented building. The institution ensures optimal utilization of physical infrastructure. College has 6 classrooms, 4 laboratories suitable to batch size are well equipped with multiple sets of apparatus, Library having more than 2000 books which is semi-automated in nature, with reading room having capacity for 10% of students, and Computers are available in library. Administrative office, Principal room, Staff room and Provision of the space with the sitting capacity of 200 students to be used as Seminar hall. Classrooms have white and green boards. Big playground, sports facilities for fun games, indoor and outdoor are available. College infrastructure is used for University Examination. College's new big building is under construction.

At the beginning of the academic year, need-assessment for replacement, up-gradation, addition of the existing infrastructure is carried out, based on the suggestions from Heads of the departments, lab assistant and office staff. After reviewing requirements, budget constraints, working condition of the existing equipment a priority list is made like comfortable sitting arrangement, books, laboratory consumables, stationary etc and accordingly infrastructural issues are resolved.

The Academic Calendar is designed and Time Table committee prepares timetable every year by considering the limitations of infrastructure and availability of the Management sanctioned Full time teachers.

Optimal deployment and Effective utilization of all resources for teaching, certificate courses, co-curricular activities, yoga, and cultural activities is ensured.

Well-equipped Administrative offices to support routine works, admission, exam, scholarship related work. Partial E-governance is achieved through admin office.

ICT Facilities: Facilities like Computer lab, computers in library, scanner, xerox, printers, LCD projector, Internet, wi-fi, public address system is used as per requirements.

Cultural Activities: College has ample of space, sound arrangements etc for students to have a practice for cultural activities. College took the services from outside music teachers, instrument players, dance teachers and of experts of different fields where in house expertise is not available.

Gymnasium: College do not have indoor gymnasium due to space constraint in its premises, but college has provided very good facilities for physical training in outdoor so many students are trying for Police department, Army etc. College has tie up with other Gymnasium providing agencies for students physical training. As the Full time Director of Physical education is not available so College is taking the services of Experts in the field on voluntary and hired basis as per the need.

Yoga Centre: College yoga centre has enough space for Yoga which is used in morning hours before the start of the college. Services of Yoga Teachers for Yoga and Meditation are taken by college which is voluntary in nature.
