Institutionalizing the Quality Assurance:

College had already taken many efforts for quality maintenance and enhancement. But those efforts were scattered. College has established the IQAC committee on 16/03/2021, the main challenging task in the beginning was to bring all quality efforts under one umbrella and IQAC done it successfully. IQAC is formed with the objective of enhancement of quality of institute by ensuring timely, efficient, and progressive performance of academic and administrative activities.

Processes:

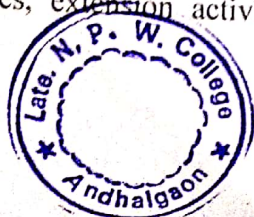

During first a few meetings IQAC has identified quality parameters for the college like curriculum transaction; internal evaluation system, effective teaching learning environment, research and development; augmenting infrastructure and learning resources; knowledge creation and sharing, work in the environmental sustainability, student support and progression; curriculum design for add on courses, etc.

Strategies:

To achieve the excellence in above mention qualities college started systematic work through IQAC by designing academic calender, transparent methods for assessment, grievance redressal mechanism, creation of Mentor-Mentee and friendly teaching learning environment .

Reviewing Teaching Learning Process:

In the starting of every academic year, there is IQAC meeting was held on first day and last day of session. In the first meeting of IQAC, college is decides the social outreach programmes, women empowerment activities, extension activities, strengthening of academic departments, career and

counseling, sports and cultural, etc. Need-based flexibility in the planning of activities was ensured during the pandemic period. In the next meeting, college collects the information and give suggestions for respective activities.

College conducted value added course with the collaboration of IQAC committee like Leadership skills, Computer skills, IPR, Health Behavior & Sociology, Personality Development, Introduction to Medicinal Plant, Scientific writing skills, Communication skills, Basic Entrepreneurship, etc. This initiative had helped students in learning and enhances their preparedness for challenges in professional life.

Structuring & methodologies of Operations:

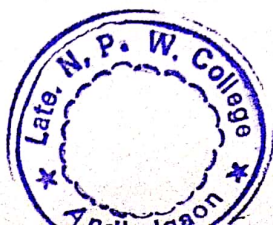

Other activities like bridge course, finding slow & fast learners, CO-Curricular and Extracurricular activities, parent teacher's meetings, National Science Day, various commemorative days are regularly conducted. For the benefit of the outgoing students, the IQAC in collaboration with other departments organizes many activities on career prospects. In addition to some compulsory themes, like legal awareness, social ethics, Health and Hygiene, yoga and sports, personality development, communication skills, etc. These initiatives have helped in grooming the personality of students.

IQAC is focused on improvement of academic quality with organizing seminar/webinar/workshops on the Role of Research in Education, Importance of Research in Students' Life, etc. College uses the different digital platform for the innovative teaching and learning. Teachers are motivated to participate in FDPs, publish research articles and guide students for their research.

In the time of Covid 19 pandemic situation, college has preferred flexibility in the academic calendar and programmes and uses different digital platform to minimize the academic losses during this time. The mentor teachers looked after the wellbeing of students.

To ensure transparency in the feedback process, the IQAC instructed the feedback committee to collect feedback from various stakeholders on quality parameters like ambience, academics, Teacher performance, staff support, College environment, etc.

Thus, IQAC has played a significant role in the upgradation of academic, social, cultural, and sports activities.

Learning Outcomes at Periodic Intervals :

Learning outcomes are measured through PO feedback and CO feedback. Co feedback is collected at the end of each semester. Results are reviewed after exams. Review of completion of value added courses is taken twice a year.
